What is the USA Gymnastics Open Championships?

USA Gymnastics is hosting a nationwide invitational for Women's Levels 4-8. We have partnered with Disney Sports at the newly re-imagined ESPN Wide World of Sports Complex to combine an outstanding competition experience in a family-friendly atmosphere.

This competition will feature both individual and club team champions for Prep-Op, Levels 4-8, and will crown an overall **2011 Club Team Champion**.

A National Elite Qualifier will also be conducted in conjunction with this event.
